---	--

Modivcare coordinates volunteer drivers to transport Medicaid Recipients to and from their medical appointments anywhere in Virginia. As a volunteer driver, you'll pick up riders and take them to their appointment. When their appointment is done, you'll make sure they get home safely.

Volunteering is a great opportunity to make a difference in someone's life, be a part of a team, share your experience, learn new skills and develop lasting friendships. We'll provide ongoing training and support in your new role.

To be a volunteer driver, contact the volunteer coordinator at:
